 MFG. PLANT : PLOT NO - 16, OLD IDC, HISSAR ROAD, ROHTAK-124001 (HARYANA) INDIA

 <https://avtfastners.com>

About us

AVT Fastners, based in Rohtak, India, specializes in top-quality fasteners and stainless-steel screws. Our products are known for durability, reliability, and high load-bearing strength. Serving industries like manufacturing, automotive, and Telecom, we're recognized for setting high standards in India's market

Our Mission

Our mission at AVT Fastners is simple: deliver unparalleled quality and durability in every fastener we make.

Core values

- 1. Quality Assurance:** We prioritize uncompromising quality in every product, ensuring reliability and durability in all our fasteners.
- 2. Customer Commitment:** Our customers are at the core of everything we do. We are dedicated to meeting their needs and exceeding their expectations.
- 3. Integrity:** We conduct business with honesty, transparency, and a commitment to ethical practices in all aspects of our operations.
- 4. Reliability:** Building trust and reliability in our connections is fundamental to us. We aim to deliver consistent and dependable solutions.
- 5. Sustainability:** We are committed to environmentally responsible practices, striving for sustainability in our products and processes.

Our Team

Our team is made up of passionate individuals from diverse backgrounds who are committed to our mission and values.

Leadership Team

•Mr. Ritesh Bansal- CEO

•Mr. Shubham Jindal – COO

•Mr. Sahil Jindal – CFO

Key Function

- Marketing (Mr. Suraj): Builds awareness and communicates the value of AVT Fasteners' products.
- Sales (Ms. Mamta): Forges client relationships, identifies needs, and ensures customer satisfaction.
- Production (Mr. Mohit): Manages the creation of fasteners, ensuring efficiency and quality.
- Quality Assurance (Mr. Deepak): Ensures that every fastener meets stringent quality standards and safety measures.

Achievement's Setting industry standards with top-quality products and recognized achievements

1. Quality Excellence Award: Received recognition for consistently delivering high-quality, durable fasteners, ensuring reliability and high load-bearing strength, and being honored with an industry-wide quality excellence award.

2. Industry Partnership Accolade: Acknowledged for establishing crucial partnerships with major telecom infrastructure providers in India, contributing essential components for the construction and maintenance of telecom towers for 4G and 5G networks.

3. Certifications and Compliance: Achieved ISO 9001 & IATF 16949 certification for maintaining stringent quality standards and compliance, ensuring all products meet or exceed industry benchmarks for reliability and durability.

4. Telecom Infrastructure Partnership: AVT Fastners started in the telecom networking field and has excelled despite challenges. We've made significant contributions to India's 4G and 5G infrastructure. Our focus on innovation has made AVT a standout in the networking sector.

BUSINESS JOURNEY

Transformative Milestones: Pioneering Quality, Expansion, and Technological Advancements

2022

Successful participation in the implementation of India's 5G spectrum within the telecom sector.

2021

Increase in production capacity quantity-wise and the addition of several cold heading machines to the production line.

2020

Introduction and expansion of production capacity in nuts and screws up to M14 sizes, amidst the COVID-19 pandemic.

2019

Expansion into the telecom industry and contribution to India's 4G spectrum implementation.

2018

Company establishment with a mission to provide unmatched quality products and customer service.

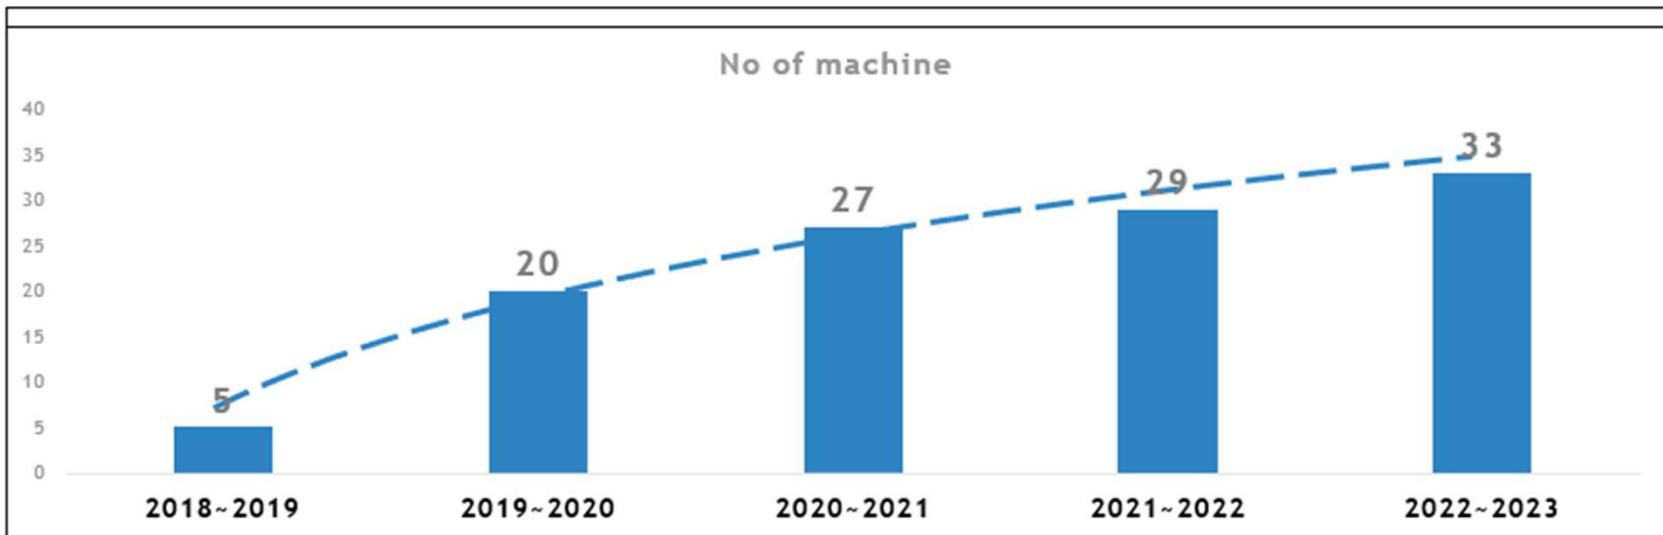

Our journey

AVT FASTNERS' Evolution in Fastening Solutions

OUR MOTTO

With a foundation built on quality and client satisfaction, AVT Fastners has pioneered the manufacturing, supply, and trade of a diverse range of Fasteners & Stainless Steel Screws. Our products are renowned across India for their superior quality, durability, and robust load-bearing capabilities. We proudly introduce ourselves as the premier industrial fastener manufacturer and supplier in Rohtak.

Our offerings encompass hex bolts, socket head cap bolts, collar bolts, studs, counter sunk screw, high tensile bolts, and high tensile fasteners – all crafted to the highest standards. We provide unparalleled quality and support throughout Rohtak. Contact us for all your industrial fastener needs.

ALL TYPES OF GRADES ARE AVAILABLE AS PER CUSTOMER REQUIREMENTS.

FINISHING & AFTER PROCESS OF SS MATERIAL

**Black
Oxidation**

**Passi-
vation**

**STAINLESS
STEEL**

Geomate

Decromat

❖ **Advantages of Black Oxide Coating :**

Increase corrosion resistance. The coating helps in fighting off rust. It creates a Barrier that prevents the steel from reacting with oxygen, thus avoiding corrosion.

❖ **Advantages of Passivation :**

- 1) Passivation saves money and reduces down time.
- 2) Passivation allows extended system maintenance intervals.
- 3) Passivation reduces the risk of product contamination.
- 4) Passivation increases corrosion resistance.

❖ **Advantages of Dacromet :**

It's offers excellent corrosion protection and can be used in a variety of application including automotive construction agriculture machinery and more additionally dacromet-coated parts can be withstand temperatures up to 800 degrees Fahrenheit without sacrificing performance or durability.
